

Information and Instructional Technology Administrator

Karen Kaplan will be joining the Hamden School District as the Information and Technology Administrator in August. Karen has worked as an Educational Technology Consultant for the CT State Department of Education and as Executive Director of the CT Commission for Educational Technology. Prior to her work for the state, Karen worked for ACES as the Coordinator for Instructional Technology.

Karen received her Bachelor of Science in Special Education from the University of Maryland and her Master of Science from Johns Hopkins University. She completed her Certificate in Educational Administration at Sacred Heart University.

Karen resides in Hamden with her husband and daughter.
