Dear Parent/Guardian:

The Superintendent and I are well aware that you have been anticipating the 2009-2010 lottery results for Wintergreen Magnet School. In the past, the Wintergreen lottery would have been conducted by this time. In light of the uncertainty of next year's budget, we have found it necessary to delay this process indefinitely. The number of new Hamden students that will be sent to Wintergreen for the 2009-2010 school year, if any, will be dependent on various factors, including the State's level of funding and the outcome of the Board's budget deliberations.

We truly appreciate your patience and understanding and we will do our best to keep you informed. When a decision is made, you will be promptly notified by mail and through our website ([www.hamden.org](http://www.hamden.org)).

Sincerely,

  
Fran M. Rabinowitz  
Superintendent
