School Governance Council**

**CANDIDATE'S INFORMATION FORM**

Participating on the School Governance Council can be a rewarding experience for all those who value the opportunity to make a difference in public education.

Candidate's name: Nancy Restivo

Role group:

- ☒ Parents  
☐ Students  
☐ Teachers  
☐ Community members

Please provide a brief description of yourself and state why you would like to serve on the School Governance Council.

I am the parent of two HHS students and was also a long term sub at HHS. I have seen both sides of the HHS world and feel I have greater insight into what may help improve the school. HHS has many great attributes and I would like to serve on the SGC to help make it an even better school for the students and the teachers. While my children were at HMS I served two years on the SGC, one year as secretary so I am familiar with how a SGC works. I am currently the President of my daughter's swim team's parent executive board. I would welcome the opportunity to be able to serve HHS in this capacity.
