

Mia V. has been selected as this year's sixth grade Superintendent Student of the Month. Mia exemplifies all the qualities that a teacher looks for in a student. She comes to school everyday with a smile (albeit behind her mask), positive attitude, and a desire to learn and be her best self. She puts a great amount of effort into everything she does, as is reflected in her classwork, which far exceeds expectations. Mia is a role model to her peers and is respectful of both her classmates and teachers. She is compassionate and kind; always willing to lend a helping hand to a classmate. Mia maintains her positivity, even when things are hard, and encourages others to do the same.

Mia, you are a wonderful student, and you absolutely deserve to be the 6th grade student of the month. Congratulations!
