

Referral [ED 622]

Our District notifies parents and eligible students in writing within five school days after the date of a referral to special education. The notice contains the following elements:

- Reason for notice;
- Source of the referral;
- Date of the referral; and
- Statement of parental rights or eligible student's rights to review and obtain copies of all records used as a basis for referral.

A full explanation of all procedural safeguards available to the parent or eligible student is sent with the referral notice.
