

Every day Finnleigh puts in her best effort throughout the entirety of the school day. I can always count on Finnleigh to participate during our lessons and always tries her best when working with me, with a partner, or independently. In addition, Finnleigh is extremely kind and always goes out of her way to her teachers and any of her classmates in need. Her eagerness to learn and excitement for coming to school every day is infectious to everyone around her. Finnleigh is an absolute joy to have in my class and a true role model for others. I am proud of all the progress she has made this year in reading, math, and writing and look forward to seeing her continue to grow as the year continues. Keep up the amazing work Finnleigh!
