

The Dragon Update

Principal Gannon

October 30, 2020

Next Week at a Glance

Due to a member of our Hamden High School family testing positive to COVID-19 and in accordance with our response plan and the guidance provided by the Quinnipiac Valley Health District (QVHD) and the Department of Education, we needed to close the High School through November 3rd. Over the next several days, we will work collaboratively with QVHD to perform contact tracing to determine whether or not we can reopen on November 4th. I will update you when I have more information.

ATHLETICS

by: Tom Dyer

SIGN-UPS

Sign-ups for winter sports have begun. Currently, Hamden Public Schools will be offering a full slate of winter sports. Once the CIAC and the State DPH weigh in with recommendations, we will adjust anything we have to, to meet the recommendations they set. Sign-ups can be found at: <https://www.familyid.com/programs/2020-2021-winter-athletic-registration-5>

SCHEDULES

Fall Schedules are now online. Use the link to sign up to view schedules and receive updates when changes are made. <http://www.casciac.org/pdfs/ciacsportsflyer.pdf>. Please make sure you check it weekly due to changes that are happening in our conference.

Winter Schedules will not be posted until the 2nd week in November.

Post Season Tournament information should be released soon. We will share this information on this weekly update as well as through our coaches.

SPECTATOR POLICY

Parents/Guardians for outdoor sports may attend only home events at this time. We still have a *no spectators policy* for indoor events. Boys and Girls Soccer, Field Hockey and Football - parents/guardians should have received 2 passes for parents/guardians to show when they come to a game. You will need to show the actual pass and not a picture of it. It will only work for events that your son/daughter is participating in. The passes are numbered. There will be no re-issuing of passes for lost passes. We are doing our best to keep our athletes, coaches and staff safe.

LIVE STREAMING

I am happy to finally report we have the livestream up and running. The video is looking very good. Currently, the sound and score keeping features are still being worked out and each sport is in a different place with it. Here is the link for our games that will be filmed: <https://www.nfhsnetwork.com/schools/bc9622bc60>

Please share the link with others who may be interested in watching the game and are unable to attend. You can subscribe to the NFHS Network for \$10.99 a month (Billed monthly. Cancel at anytime) or \$69.99/year - a 47% discount by clicking the *subscribe* button. That gives you access to watch all games that take place on the network including games at away schools that have the same system. This will cover games on the turf fields such as football, field hockey, soccer, lacrosse, baseball/softball (possibly) and indoor sports such as volleyball and basketball that take place in the HHS gym.

There is a 4-minute delay from the actual game time. We have started the cameras earlier than the anticipated game time so everyone can sign on and view the game. Please do not be alarmed in warm-ups when the camera is scanning back and forth. The cameras detect the balls moving when it films. The cameras will be operational as long as our internet at our school is operational. Any issue in service to our school will affect our ability to livestream the event.

We appreciate everyone's patience with getting this up and running. Hopefully, everyone gets to enjoy their sons and daughters playing now.

We appreciate the continued support of our programs.

GO DRAGONS!!!

UPCOMING ATHLETIC EVENTS

TBA due to recent shift to distance learning.
