

Referral to and Action by Law Enforcement and Judicial Authorities

The District reports criminal acts committed by a student with a disability as the District does crimes committed by students without disabilities. The District ensures that when the District reports a crime committed by a student with a disability that copies of the special education and disciplinary records of the student are transmitted for consideration by the appropriate authorities to which the District reports the crimes. The District transmits copies of the student's special education records only to the extent that the Family Educational Rights and Privacy Act permit the transmission.
