

Laila C.: From Ms. Irwin: Laila is the kind of kid whose mask doesn't hide her smile. She is always upbeat, always respectful, and always has a great attitude. She is organized and invested in her own success. From Mrs. Amodio: Laila is a conscientious student. She is a student who puts 100% into everything she does in science and social studies. She is organized, polite, and seeks help when needed. She is a model student and is a friend to everyone. From Mr. Melillo: Laila is a kind and caring student who brings a smile that lights up our classroom each day to school. Laila is well-liked by her peers, and she sets a wonderful example for them by how hard she works. Her amazing attitude and love of school makes her a dream student for all teachers. From Mrs. MacGregor: Laila is a joy to teach! She always has a positive attitude for learning and shows enthusiasm each and every day!! She eagerly contributes to group discussions and shows a keen sense of understanding and respect for her classmates and teachers. Laila often asks how she can help others and shows kindness throughout each day. She exemplifies strong/positive character traits and is a valued member of her 5th grade class.
