## Volume 1 & 2

Every 8th Grade Student checked out two Math books from the Media Center.

These two books are to stay at home until the end of the year. These book are to stay at home as an extra resource, to help with further understanding of Math concepts.

Inside each workbook are the pages where students can find extra practice for the concepts they are learning in class right now.

In these books you will find:

- Step by Step Examples
- Explanations
- Extra Practice
- Key Words in the Glossary
