## Upcoming Events

**Per the Board of Education, any event involving the public has been cancelled. This includes sports nights, games, theater productions, PTA meetings, and any other events or meetings where the general public may attend. Additionally, all field trips and after-school activities have been cancelled or postponed. Updated information will be shared as it becomes available.**

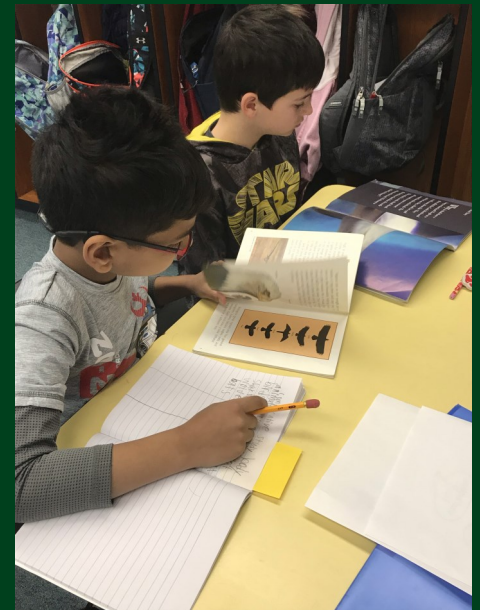

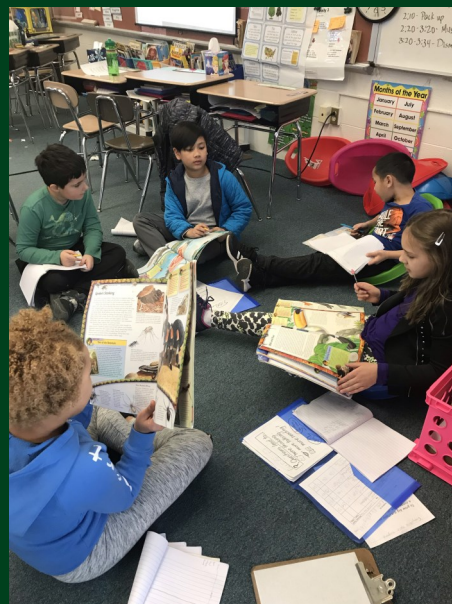

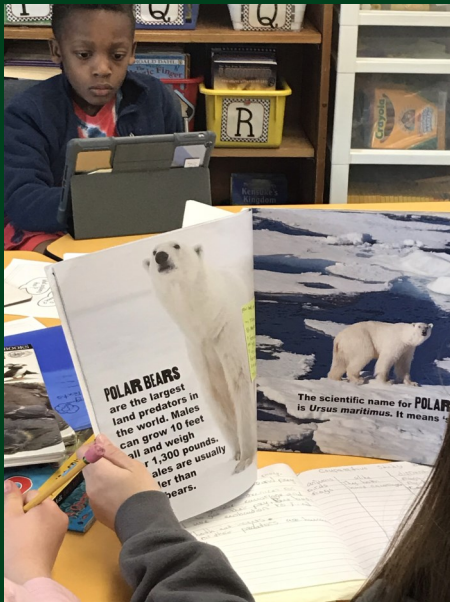

- All HPS facilities will be closed to the public until further notice. This will assist our custodians in their efforts to thoroughly clean our facilities. HPS offices will open on Tuesday March 17th for business that may be conducted electronically or by phone, as there will not be public access permitted to our buildings until schools reopen.
- Just a reminder that I use the Remind app to send quick notes to families when I'm not able to get a message out through School Messenger. To sign up for WWS Parents notifications, please visit <https://www.remind.com/join/wwspar>.
- The WWS PTA is looking for a group of parents willing to serve on the **WW School Building Committee**. This group of people would meet with me and the School Safety and Climate Committee and attend the town School Building Committee Meetings. The PTA is asking for a presence that is engaged, informed and ready to ask questions to make sure action is taken. [SIGN UP HERE](#)

Second graders were inspired by the spring-like weather this week and our lovely woods to create poems about the new season that is nearly upon us.

Students in Mrs. King's class have been researching animals for a few weeks. Now that they are experts on an animal, they are asking questions, developing theories and reading more to gather evidence that supports their theories.

As always, check out the West Woods PTA website [www.westwoodspta.org](http://www.westwoodspta.org) for updates, forms, and a calendar of events.
