

Third Grade Student of the Month

Keely G. is our Spring Glen student of the month. When the third-grade teachers started thinking of all the possible students that would be deserving of this award, it did not take long to agree that Keely would be this year's recipient.

Keely is the definition of what hardworking and kindness are all about. There is not a day that went by where Keely isn't trying her absolute best at whatever task she is faced with. She not only tries her best on grade level work, but often pushes herself to go beyond grade level standards to challenge herself or teach her classmates about the things she is learning.

Additionally, she is one of the kindest people I have ever met. She is always polite and very thoughtful. I know Keely will do great things for the rest of her third-grade year and beyond. Nice job Keely!
