

West Woods News

Daniel M. Levy, Principal

March 6, 2020

What's new in the Woods this past week!

Math and Literacy Family Night is coming to West Woods School on Tuesday, March 10, 2020 from 6:00 - 7:30 PM.

Join us for a fun night of high energy math and reading activities provided by Math and Movement.

See the flyer on the main WWS news page [here](#).

Having trouble signing up? Please contact our literacy specialist, Mrs. Blanchard at ablanchard@hamden.org or our math specialist, Mrs. Pietrosimone at rpietrosimone@hamden.org.

We look forward to seeing you on March 10th!

Math Challenge 11 is due on March 19, 2020. All mathematicians who complete 12 of the 15 challenges will receive a special award in June. The challenge website is: <https://www.mathinaction.org/west-woods-elementary.html>

Ms. Mancini just shared new artwork from the 6th grade. She is very proud of the way they experimented with different media (chalk, pencil, paint, etc.) in creating their landscapes.

The WWS PTA is looking for a group of parents willing to serve on the **WW School Building Committee**. This group of people would meet with Mr. Levy and the School Safety and Climate Committee and attend the town School Building Committee Meetings. We need a presence that is engaged, informed and ready to ask questions to make sure action is taken. [SIGN UP HERE](#)

As always, check out the West Woods PTA website www.westwoodspta.org for updates, forms, and a calendar of events.

Have a great weekend!

Daniel M. Levy
