CORE VALUES AND BELIEFS

We aspire to educate students in a rigorous, diverse and supportive learning environment. All students at Hamden High School are challenged to become socially, culturally and globally aware as well as civically active and productive. Our students will demonstrate responsible personal behaviors, and will achieve self-reliance in order to obtain college/career readiness skills. Our students are further expected to be caring and productive young adults who are resilient and resourceful problem solvers. WEIGHTED GRADES AND CLASS RANK

WEIGHTED GRADES AND CLASS RANK

Students are provided with weighted and unweighted grade point averages (GPAs) at the beginning of each academic year, excluding freshman year, in their Naviance account. Non-weighted GPAs range from 0 to 4.0; weighted GPAs 0 to 7.5.

Weighted GPAs are used for the purpose of determining decile rank. Courses are assigned a weighting factor based upon the level of study designated for each course in which a student is enrolled. The more rigorous the level of study, the greater weighted value assigned to the course.

Grade	Percent	AP	Level 9	Level 7	Level 5
A+	100% - 97%	7.5	7.0	6.5	6.0
A	96% - 93%	7.3	6.8	6.3	5.8
A-	92% - 90%	7.1	6.6	6.1	5.6

D-	62% - 60%	5.0	4.5	4.0	3.5
F	59% - 0%	0	0	0	0

Note: Calculation grid will be forthcoming in student Google Classrooms.

Decile Rank Guidelines

- Students must have completed at least four semesters of coursework at Hamden High School to be included in the decile rank.
- Students who attend high school for more than four years will not be ranked with the graduating senior class.
- Prior to their senior year, transfer students must have completed at least four semesters of coursework at Hamden High School to be included in decile rank.
- Qualifying seniors will be re-ranked after the first semester of their senior year.
- For final decile ranking purposes, inclusive of Valedictorian and Salutatorian, weighted GPA is recalculated after 7th semester using all S1 grades

- Unleveled classes will not count towards weighted GPA
- Classes with labs will count 1.2
- Summer school coursework **will not** be included as part of decile rank.
- Students in Grades 9-11 are expected to carry at least six credits per year to be included in the decile process.
- Seniors can take fewer than five credits and still be included in the decile rank with permission from the principal.
- Independent Studies, credit recovery, virtual learning and/or any course taken off-site **will not** be used in the calculation of a student's decile rank.
- Only courses taken by enrolled Hamden High School students will be included in decile ranking.
- A Diploma of Distinction will be awarded to graduates with a non-weighted grade point average of 3.5 or higher.
- Students may access decile rank through Naviance (weighted and non-weighted) at the end of their sophomore and junior years.
- A weighted GPA will be determined for each senior after the first semester of his or her senior year for the purpose of decile rank for college applications. Final graduation rank will be determined at the completion of the first semester of the senior year.
- Students who seek to accelerate the graduation process and graduate in less than four years will not be ranked with the senior class. These students will be given equivalent decile ranks for purposes of college applications and scholarships. Accelerated students will not displace seniors in the ranking process.
- Beginning school year 2022-2023 all Physical Education courses taken from this point forward are not calculated toward weighted GPA.

NAVIANCE FAMILY CONNECTION

Naviance Family Connection is a comprehensive website used for Student Success Planning. All students are given a private account and introduced to the site by the Counseling Office. Within their account, students build resumes, complete online surveys, manage timelines, research careers and colleges and create plans for their future. Students must keep their password confidential as their Naviance account contains personal information. Seniors use the account to designate which colleges should receive their transcripts; these are sent electronically through the program. Access to the site is available through a link at the HHS website>Counseling Department>College and Career or at <http://connection.naviance.com/hamden>. Parents/Guardians can access non-private information on the site (college information, rep visits, regional/national scholarships, enrichment programs, etc.) by using a guest password, Macavity.

HONOR ROLL

An Honor Roll for each grade (9th, 10th, 11th and 12th) is issued following each marking period. Students with a grade point average of 9.0 to 9.99 will be on the HONOR ROLL. Students with a grade point average of 10.00 or higher will be on the HIGH HONORS HONOR ROLL. **If a student has an "Incomplete" at the time that grades are reported or any grade below a "C-" average, he or she will not be included in Honor Roll determination.**

A+ = 97-100 12 pts	B+ = 87-89 9 pts	C+ = 77-79 6 pts	D+ = 67-69 3pts
A = 93-96 11 pts	B = 83 - 86 8 pts	C = 73-76 5 pts	D = 63-66 2 pts
A- = 90-92 10 pts	B- = 80 - 82 7 pts	C- = 70-72 4 pts	D- = 60-62 1 pt

SAFETY

Emergency Operations

During the year, HHS will have multiple school safety drills to prepare for an emergency including, but not limited to, fire drills and lockdown drills. Should a real emergency or disaster situation ever arise in our area while school is in session, we want you to be aware that the schools have made preparations to respond effectively to such situations. Hamden Public Schools has a detailed emergency operations plan which has been designed to respond to a major catastrophe.

Student Responsibilities During ANY Emergency:

1. Students should listen to staff directions at all times.
2. Students should refrain from using their cell phones and have them on quiet mode.
3. Students should remain quiet.

Morning Safety Screening/Metal Detectors

To ensure everyone's safety, the school administration and security staff may use metal detecting devices during the school day and at all school activities. Each morning, all students entering the building must be screened for items considered dangerous to have in school using the following procedures:

1. Place the following items in the plastic bag or bin provided BEFORE entering school. Place plastic bag/bin on table to be checked by staff/security.
 - Laptops/chargers
 - Cell phones/chargers
 - 3-ring notebooks/notebooks with metal
 - Some jewelry and/or watches
 - Metal containers such as water bottles, spray deodorant, etc.
 - Small purses/wallets with zippers, buckles, etc.
 - Aluminum foil, canned beverage
2. Students setting off the detectors must step aside and check themselves and backpacks to determine what has caused the unit to alarm.
3. Proceed through metal detector again. If the unit continues to alarm, the student and bag will be checked by staff.

*Any kind of smoking paraphernalia and/or drugs are NEVER allowed on campus. If these items are found, they will be confiscated and the student's administrator will be notified.

*Any sports or band equipment must be put in a locker upon entering the building or an area where you have been given permission to use. (bats, racquets, etc. should not be carried around the school).

ATTENDANCE

Reporting Attendance

- All absences should be reported to the appropriate House Clerk by a parent/guardian.
- Medically excused absences will be entered into Powerschool upon receipt of a doctor's note. Please submit doctor's notes via email at ecuomo@hamden.org.

State Board of Education policy states:

"A student is considered to be "in attendance" if present at their assigned school, or an activity sponsored by the school (e.g., field trip), for at least half of the regular school day."

The State Board of Education definitions establish two levels of criteria for an absence to be considered an excused absence:

Level	Total # of Days Absent*	Acceptable Reasons for a Student Absence to Be Considered Excused	Documentation Required within 10 Days
1	One through nine	Any reason that the student's parent or guardian approves.	Parent or guardian note only.
2	10 and above	<ul style="list-style-type: none">• Student illness (<i>Note: to be deemed excused, an appropriately licensed medical professional must verify all student illness absences, regardless of the absence's length.</i>)• Student's observance of a religious holiday.• Death in the student's family or other emergency beyond the control of the student's family.• Mandated court appearances (additional documentation required).• The lack of transportation that is normally provided by a district other than the one the student attends (parental documentation is not required for this reason).• Extraordinary educational opportunities pre-approved by district administrators. (Opportunities must meet certain criteria. See below for details).	Parent or guardian note and in some cases additional documentation (see details of specific reason).

* Note: The total number of days absent includes both excused and unexcused absences.

Only when a parent/guardian calls a student out of school for any reason, the absence will be excused for the first nine absences. Only when a parent/guardian calls a student out on the 10th day and beyond, the absences will be considered unexcused unless they meet the above and below criteria.

ATTENDANCE

- a. School-sponsored activity, including approved school assemblies
 - b. College visitations (a signed letter/email message from the university on its letterhead must be turned in to the House Administrator)
 - c. Medical appointments (documentation is needed)
 - d. Family hardships and other family emergencies as approved by the House Principal
 - e. Mental Health Wellness Days (2 max; nonconsecutive) defined as a school day on which a student attends to the student's emotional and psychological well-being instead of attending school. Upon their return from a Mental Health Wellness day, students will meet with a school professional to assess their well-being."
- A. **Excused Absences:** An excused absence, when verified, will not be a basis for the loss of a student's credit. **Students are required to bring a written excuse to school on the day of their return.**
- B. **Unexcused Absences:** Excessive unexcused absences as defined in this regulation may lead to Loss of Credit.
- C. **Absence Limit** Loss of Credit (LOC): No student may receive credit for a course if they accumulate absences in excess of **18 days in a full-year course** and in excess of **9 days in a half-year course** **(Please note this does not include excused absences as listed above.** Students who lose credit may appeal for restoration of credit. Denial of course credit because of excessive absences does not affect course grades. In such cases, course grades appear on both the report card and the final transcript with an indication that credit is lost because of excessive absences per Board of Education policy. No credit toward graduation or distribution requirements or class rank is awarded.

CLASS CUT

A cut is defined as any unauthorized absence from the entire class or an unexcused absence if more than 10 minutes late to class. Students will receive a zero participation grade for the class period. Missed work, including tests and quizzes, may not be made up. **THREE Class Cuts are equivalent to a Loss of Credit. Credit may be restored if the teacher recommends restoration, the student continues to attend class, and passes the class.**

Students' Responsibilities

1. Attend all classes.
2. Be on time to all classes.
3. Obtain and give proper documentation for all absences upon return to school (example: a parent/guardian writes a note for three or less absences and a doctor writes a note for more than three consecutive absences) to the appropriate House Principal.
4. Follow attendance procedures.
5. Within five days of notification of Loss of Credit, initiate an appeals process when notified of Loss of Credit (Restoration of Credit form returned to teacher). **If the form is not returned to the teacher, the credit will not be restored.**
6. Students may submit assignments up to three days late, with a reduction of 10 points per date late. After three days, the assignment receives 0 points.
7. Keep track of absences.
8. Notify teachers of foreseeable absences.
9. Regularly review academic and attendance information on PowerSchool

CLASS OFFICERS

Every class in Hamden High School elects five class officers who are responsible for all of the business, fundraisers and social activities of the class. The officers are elected in May by the sophomore, junior, and senior classes and in the fall by the freshman class. Each student who wishes to run for office must obtain recommendations from two teachers and his or her House Principal. Every student seeking class office must have and maintain an average of "C" without failing any courses. The schedule for class elections with appropriate dates and timelines will be available in March in all administrative offices. Students must adhere to posted deadlines to be eligible to run for class office.
