

The Value of a PTA Membership

The PTA works on behalf of its members, providing state and national information, and helping to unite parents, teachers and the community for the common good of all children. Together, members can create a healthy, nurturing environment for improving opportunities for all young students.

PTA members receive discounts on various programs and events sponsored by our PTA such as J.E.F.F. after-school activities (Just Enrichment for Fun). You will become part of the Dunbar Hill PTA email distribution to keep up to date with school events. And membership offers a channel for your voice to be heard so we can make our school and your child’s education the best it can be!
