School Activity and Discretionary Funds

The Principal will be the director of the School Activity Fund. The Principal will designate a person to serve as treasurer of this account for the school. The treasurer of the account will be bonded.

The accounts of each School Activity Fund will be considered official accounts and will be audited.

Each School Activity Fund will be reviewed annually by the Superintendent.

The Superintendent will submit to the Board an annual summary report and a copy of the audit for each secondary school's activity funds.
