Comparability of Services

The Board of Education believes that at all times its schools should be equally as well equipped and maintained as may be possible within existing financial limitations.

It shall be the policy of the Board of Education to insure comparability of services funded by state and local sources in both Title I project schools and non-project schools. The Board of Education will therefore:

1. Maintain a district-wide salary schedule.
2. Provide services with federal, state and local funds in schools serving Title I project areas that are at least comparable to services in non-project areas.
3. Use federal, state and local funds to provide for an equivalence among all schools in all schools with the same grade levels in teachers, administrators, auxiliary personnel.
4. Use federal, state and local funds to provide for an equivalence among all schools with the same grade levels in the provision of curriculum and instructional materials, books and supplies.
5. Nothing in this policy will prohibit the administration from addressing identified problems at individual schools.
