

Bylaws of the Board

Formulation, Adoption, Amendment of Administrative Regulation

The Board of Education does not develop or adopt administrative regulations unless specifically required to do so by statute, or unless requested to do so by the Superintendent. Adoption and amendment of such Board of Education adopted regulations shall be by the same procedure as that specified for policies in 9311.

Administrative regulations will be prepared and implemented as appropriate by the Superintendent to insure that Board policies are correctly implemented in the district.

The Board of Education reserves the right to review and direct revisions of administrative regulations should they, in the Board of Education's judgment be inconsistent with the policies adopted by the Board.
